Attn. Kepala Divisi Penilaian Perusahaan Group 2

Referring to the Letter of PT Bursa Efek Indonesia (the Indonesia Stock Exchange) S-02079/BEI.PP2/04-2018 dated 11 April 2018 on Request for Explanation of News in Mass Media “Jasa Marga Terbitkan RDPT Rp 3 T”, we hereby extend the explanation of the said news as follows:

1) Clarification of the news.

In order to support the company business strategy to increase shareholder value in the long run, the company will continue to improve potential toll road and targeted the addition of toll road operation by complete the development projects toll road which is currently being held.

To support this, the company has several funding strategy which one of is divestment toll road from majority to become a minority through the Reksa Dana Penyertaan Terbatas (RDPT)/ Limited Equity Funds.

Preliminary indications value of the RDPT is around IDR 3 Trillion which is currently in the process of preparation the issuance of the product.

2) Information/other significant events that are material and may affect the sustainability and the stock price of the Company.

There is no other information that may affect the equity and the stock price of the Company.

Thank you for your kind attention.
